

METAL HALIDE Protected - Pulse-Start

SUPERIOR LIFE® METAL HALIDE

Superior Life® Metal Halides are more energy-efficient than incandescent lamps, mercury vapor lamps and fluorescent lighting sources. Suggested applications: commercial, industrial, retail, stadium, area, architectural, or anywhere high-performance lighting and accurate color rendition is required.

FEATURES AND BENEFITS:

- Better lumen maintenance
- Reduced color shift
- Superior color rendition to HPS
- Lamp-to-lamp color consistency
- Suitable for open and enclosed fixtures
- Improved warm up times to maximize output
- Improved restrike times
- Colder starting temperatures
- MH Protected Lamps have a quartz jacket that surrounds the arc tube
