

LED COMMERCIAL CAN

The Superior Life® LED Commercial Cans are replacements for less efficient incandescent and compact fluorescent (CFL) light sources. They consume up to 80% less energy, thereby significantly reducing operating costs. The superior life hours of this lamp make it ideal for hard to reach places, reducing maintenance.

ECO-FRIENDLY, MERCURY FREE • NO UV • NO PROJECTED HEAT

Dimmable LED By incorporating advanced circuitry into our LED products, SUPERIOR LIFE® dimmable LED lamps function with dimmers just as normal incandescents do by allowing full linear dimming control.
